RIPE 'N READY TIMES

SPRING 2020

We Salute the School Foodservice Heroes!

Thank you to schools throughout the country who are working tirelessly to keep our children and communities fed. With all the uncertainty right now, we understand that planning your menus for the 2021 school year may be lower on your priority list. When you're ready, we have ideas for using U.S. grown canned Bartlett pears in sweet and savory applications.

Pear-licious K-12 Prep Tip

Its simple; just oven roast canned pears to add more complex, savory flavor to salads. Colonial School District in New Castle, DE, shared this Roasted Pear Salad with Chicken and Feta recipe from their Spring menu. Some students noticed the subtle difference that roasted pears added to the salad and the salad got nice reviews.
